ACADEMIC FEE WAIVER CRITERIA for APPLICANTS

National Park Service (NPS) regulations allow school groups and other *bona fide* national and international academic institutions to obtain a waiver for park entrance fees, provided that the visit is for educational credit or scientific purposes, and the resources or facilities the group proposes to use support those purposes.

Academic fee waivers are not granted automatically. Applicant groups must show they qualify for the waiver. There are three criteria the group must meet to qualify for an academic fee waiver: eligibility, educational purpose, and relevance of park resources or facilities. These criteria are detailed below:

ACADEMIC FEE WAIVER CRITERIA

1. Eligibility

Applicants must prove they are a *bona fide* academic institution by submitting one of the following:

A statement confirming educational or scientific tax-exemption from the IRS or the applicant's national, state, or local tax authority; or

A statement, from a *bona fide* academic institution, confirming that the group is visiting for the purpose of providing transferable educational credit based on a curriculum; or

A statement of accreditation, or recognition as an academic institution, from a recognized national, regional, state, or local authority at the applicant's location.

2. Educational Purpose of the Visit

Applicants must provide a written statement confirming that the visit supports a specific curriculum for which **academic credit** is offered. Commercial enterprises are not eligible for fee waivers, but groups using a commercial vehicle for transportation only may apply.

3. Relevance of Park Resources or Facilities

Applicants must provide a written statement identifying the park resources and/or facilities that will be used to support the educational purpose of the visit, and how they are relevant to that purpose.

*If you meet the criteria above submit the following to the address below. Please allow 3 weeks for processing. **Please do not submit the application criteria/guidelines pages.***

Submit the following:

1. A cover letter, on the educational institution's letterhead, explaining the educational purpose of the visit and how it is related to park resources (general statement that the visit is for "educational purposes" is not sufficient).
2. Current, official documentation of eligibility as described above. It is not sufficient to merely state or imply this on the organization's letterhead. Your fee waiver request cannot be approved without one of these documents.
3. Provide the name of the course and a brief description. The educational institution must provide educational credit hours based on a specific course of instruction.
4. Please include the name and correspondence address of the institution; contact name(s) with telephone/fax number(s) and email address; date of arrival and departure; approximate number and types of vehicles; areas you plan to visit; approximate number of students and chaperones, including faculty and if you are using an outside service to provide transportation or instruction.
5. State in your letter that you understand fee waivers are allowed only for academic institutions that are using the park for educational purposes and the planned trip meets these requirements. **Students must be receiving academic credit for their visit in order to qualify for an academic fee waiver.**
6. Mail or email all documentation detailed in the "How to Apply for an Academic Fee Waiver" section above to:

Visitor Services Office
P.O. Box 168
Yellowstone National Park, WY 82190
Email: yell_visitor_services@nps.gov
Phone: (307) 344-2109

Applications should be emailed. Replies may take 5-7 business days. Please allow 3 weeks for processing.

7. Please provide a copy of the approved fee waiver for each vehicle in the group.

ACADEMIC FEE WAIVER APPLICATION GUIDELINES

The number of adult sponsors or faculty included in a fee waiver is limited. Please use a guideline of one adult sponsor or faculty per 5 elementary school students; 10 high school students; 20 college students. Specific district, local or state policies and safety standards will be considered.

Number of vehicles: Due to high visitation and limited parking at popular sites in Yellowstone vehicle caravan size under a fee waiver is restricted.

Adults and/or vehicles not included in the fee waiver will be required to pay the per vehicle or per-person fee, depending on vehicle size.

A separate fee waiver is required for Grand Teton National Park.
